【概要・一般目標：GI0】
 The course is designed to consolidate students' general abilities in English and to further develop their English speaking proficiency necessary for communication in everyday situations and topics. Using a variety of mediums such as movies, music and printed handouts and quizzes, we will learn about various topics in English for you to use to communicate easily and enjoyably with international people.
 This is a light and simple communication course and will be very useful for students wanting to go abroad for travel or to study.

【学習目標・行動目標：SBO】
 The goal of the course is for students to attain personal optimal target language (English) practice, interaction, recognition and understanding through practical English usage.
 The intent of the course is to facilitate a rich learning environment, with practical and communicable learning materials, to enable students to communicate effectively and confidently in real life, everyday situations in English.
