授業の概要

This course is designed to teach good health habits through English conversation, including all four skills of reading, writing, speaking, and listening.

授業の目的

For students to be able to communicate in English in health related environments.

学習目標

1. The students can describe the outline of the passage on the QOL in their own words, referring to dictionaries.
2. The students can produce what they want to say about the QOL in accordance with the basic word order of English.
