授業の概要

The purpose of the intensive English course is for students to attain personal optimal target language (English) practice, interaction, recognition and understanding facilitated through usage, with particular emphasis on issues pertaining to 'Health' and the 'Health Industry'.

授業の目的

The purpose of the intensive English course is for students to be able to:

- Pre-read and scan English text on health topics to develop a sense of a text's scope and meaning.
- Discuss and answer questions related to the text in English.
- Recognize and understand basic English health vocabulary, terms and content.
- Communicate effectively through class pairwork, groupwork and teacher interaction in English.

学習目標

- The students can describe the outline of the passage on the QOL in their own words, referring to dictionaries.
- The students can produce what they want to say about the QOL in accordance with the basic word order of English.
