| ○     | ○     | ○     |    | ○     |

## 授業の概要

This course is designed to enhance students general English ability and teach good health habits through all skills practice.

## 授業の目的

Students will be encouraged to think critically about medical issues and will be provided with the language tools to improve their proficiency to do this in English.

## 学習目標

Students will be able to communicate in English about key medical issues and other topics which develop from these.
